

Directions to Bad Eisenkappel

You can reach us from the north via the A2 highway. Take the Völkermarkt Ost exit if you are coming from the direction of Graz. Then simply follow the road towards Bad Eisenkappel (via Kühnsdorf, Eberndorf, and Sittersdorf/Miklauzhof).

Take the Grafenstein exit if you are coming from the direction of Villach and follow the road through Grafenstein and Gallizien to Bad Eisenkappel.

From the highway exit, plan for about 30-35 minutes of driving time.

Parking in Bad Eisenkappel

When you arrive in Bad Eisenkappel, follow the "Parking Area" sign shortly after the town sign and turn right. At the roundabout, after about 200 meters, turn right again, and you will see the parking zones directly ahead of you.

After parking, you can reach the ticket office on foot in about 7 minutes.

Please note that all parking spots in the town center are short-term parking zones, and parking here for a cave visit is not possible (the duration exceeds the allowable short-term parking time)!
